

God took the strength of a mountain,  
The majesty of a tree  
The warmth of a summer sun,  
The calm of a quiet sea,

The generous soul of nature,  
The comforting arm of night,  
The wisdom of the ages,  
The power of the eagle's flight,

The joy of a morning in spring,  
The faith of a mustard seed,  
The patience of eternity,  
The depth of a family need,

Then God combined these qualities,  
When there was nothing more to add,  
He knew His masterpiece was complete,  
And so, He called it ... Dad.

## FATHER'S DAY QUIPS

**Joe: What does your father do for a living?**

**Pete: He's a magician. He performs tricks, like sawing people in half.**

**Joe: Do you have any brothers or sisters?**

**Pete: Yep, four half-sisters and a half-brother.**

Son: Why are some of your hairs white, dad?

Dad: Every time a son makes his dad unhappy, one of his father's hairs turns white ...

Son: Now I understand why grandpa's hairs are all white!

**A small boy was at the zoo with his father.**

**They were looking at the tigers, and his father was telling him how ferocious they were.**

**"Daddy, if the tigers got out and ate you up..."**

**"Yes, son?" the father asked, ready to console him.**

**"Which bus would I take home?"**

My dad says being a good Dad is like shaving...

No matter how good a job you do, you still do it all over again tomorrow!

**"The greatest mark of a father is how he treats his children when no one is looking."**

My father gave me the greatest gift anyone could give another person, he believed in me.
